

Clinician Portal

- 1) Go to <https://dannerlab.schuynet.net/clinician>
- 2) Enter Username and Password and click sign in. You will be required to change your password the first time you log on.

- 3) It will take you to the main screen where you can access results, create new orders, etc. There is also a User Manual below the blue banner where you can learn all of the features of the new SchuyLab software.
